

2024 Assisting Minister Schedule

Every effort was made to balance the schedule fairly. **If you cannot serve on your assigned date, please call one of the other assisting ministers and try to switch.** If possible, notify Kathy Exner in advance of the printing of the bulletin, so that the correct name can be listed. If you can't find a substitute, please call the office and inform Kathy Exner or Pastor Hammond.

Your service as an assisting minister reflects the Lutheran tradition of the laity serving as co-leaders in worship and makes visible the priesthood of all believers. Thank you for enriching the worship of our congregation as we praise our Lord.
